### MILLINERY.

Compliments have been showered upon as for our beautiful display of

Trimmed Hats and Bonnets,

For beauty, artistic styles, and values they challenge any exhibit ever made in this city, while prices are a source of unmittgated pleasure to all...... So great has been our success as originators of popular prices for trimmed Milinery that we have been compelled again and again to enlarge department until 'tis now five times its former size ..... We never wait until the end of season to name attractive prices but start with extraordinary values ..... We invite attention to two leading shapes in TURBANS, destined to be very popular-"Durand" and "Axford"-which we sell trimmed at \$5.08 and \$6.08-compare them with those at Ten and Twelve Dollars elsewhere ..... Also at \$5.08, "Kendal," "Octavia," "hvelyn," and "Gavotta," which for value and effect surpass any by exclusive milliners sold at more than double ...... At \$1.88, Fancy Straw Bonnets prettily trimmed in any combination that you wish-and from that price up to Iwenty Dollars you have choice of many hundred-gams of millinery art-If you wisit us this week you'll surely come again-no second invitation will be needed.
